

TSCA RESTRICTED SUBSTANCES DECLARATION

The United States Toxic Substances Control Act (TSCA) is a federal chemicals management regulation. Under TSCA, certain substances and substance families are reportable or restricted from distribution in U.S. commerce. Reporting requirements or restrictions may vary by industry, product type, or substance use, and include substances as identified in Assent's Supplier Portal declarable substance list (DSL) for the TSCA Restrictions Module.

This declaration provides information about the TSCA declarable substance list, and applies to:

All Products sold or otherwise placed on the market by **Headline Filters Ltd** before the signature date shown below.

Headline Filters Ltd declares that:

None of their products contains substances from the TSCA declarable substance list.
